

**DHARMIK
FOUNDATION
2ND Project
PANCHAKANYA
SCHOOL
PAKHURAYE,
NUWAKOT,
NEPAL**

Project Background:

Panchakanaya school is 43Km North-West of Kathmandu. The district is called Nuwakot; and the open border with China is also in the same direction not far from the school location in Rasuwa.

Panchakanya school is located on the edge of beautiful mountain. The school has three concrete floors with five rooms on each floor. There are 175 above students from kindy through to grade 8.

IGWR-Nepal has completed much work for the school over the last 8 years; building another floor of classrooms, five toilets, one shower, two staircases, painting and connecting a drinking water supply to school. IGWR-Nepal also hired four local teachers and a caretaker for three years in order to improve the overall standards within the school.

Project Outline

Dharmik foundation have adopted Panchakanya as their second project after successful completion of a second floor of classrooms they built for another rural school in the Kavre district which has proven to be a great success.

Panchakanya school needs urgent attention in a number of areas, improvements that will also assist in encouraging kids to come school every day. The current school has good infrastructure but needs proper management and some maintenance.

Dharmik foundation is willing to help this school to complete the necessary works and will be able to achieve this with the generous support of sponsors and donors. Dharmik foundation provide assurance that all donated monies will be 100% utilized for the work as detailed and there is no administration cost deducted from the monies raised. All financial transactions will be managed via IGWR-Nepal(an Australian Registered Charity) who conduct full audits both in Nepal and independently in Australia.

Fundraising Initiatives

Initially we have established two fundraising initiatives:

1. Local fundraising events run by 'friends' of Dharmik
2. A Global Giving Fundraising Project that enables all to see progress as funds are raised.
3. A project page on the IGWR-Nepal website and inclusion in all IGWR-Nepal newsletters.

We also encourage potential sponsors to create 'giving circles', a group of friends or work colleagues who club together their fundraising resourcefulness and their giving.

Fundraising Notes:

The Global Giving[GG] project accepts both one-off and monthly donations. Obviously, Dharmik will need to ensure the budget amount is secure prior to project initiation; however, it will take on trust that monthly donors will continue for a minimum of twelve months and include the full year amount in its financial assessment.

The costing breakdown provided in the GG project page is to identify to donors what their gift could achieve, it also gives an appreciation of project costings. The actual expenditure will be shown against the above budget in a report that will be available to all donors.

There will be some budget variations as plans are finalized, paint type, equipment specs etc. and any variations will again be clearly shown on project reports.
